

Thank you on behalf of the thousands of people who will see your resources or writing on www.widgit.com or www.symbolworld.org

To be able to put your work up to view, you must fill in this form and return it to the Symbolworld Team, or email info@symbolworld.org

Address: SymbolWorld, 26 Queen Street, Cublington,
Leamington Spa, CV32 7NA

Only sections with stars need to be completed for work from Symbol World writers. **Please write all answers on reverse.**

1	What is the title of your work and what was its aim or purpose?
2	Is it related to a certain theme or National Curriculum topic? What software did you use, if any?
3	Is it pitched at a particular Key Stage, P-Level or other nationally recognised learning stage?
4	Describe the individual or group that this was designed to help - including age, disability type, gender (if appropriate) etc...
5	How did you set up the activity? Please write details of anything needed to reproduce this, including materials, resources and time.
6	How did you carry out the activity? Is it a one - off project or part of an ongoing strategy? Was anyone else needed to help?
 7	You need to include either the activity itself, or photos to show it off. For a game for example, a photo of it being played would be excellent.
 8	How would you like your name and details to be displayed? Please write the exact words you would want others to see on the web site.
 9	We need a photo / drawing / self-representation of you, and what you like to be called. We will not include surnames unless asked to do so.
10	If your work contains photos of other people, make sure you have their written permission / or written loco parentis permission.

Thank you.

Please use the numbers given so everyone can easily find the information.

We will tell you when your work is up to view.
